

AAPG Latin America and Caribbean Region 2025

GREETINGS

On behalf of the AAPG Latin America & Caribbean Region (LACR) we invite you to be a part of the **2025 AAPG LACR Student and Young Professionals (YP) Chapter Leadership Summit** to be held in **Rio de Janeiro, Brazil** on **3-5 October, 2025**.

This exciting event will convene students and young professionals from tentatively eleven countries in the Latin America and the Caribbean Region. Additionally, we are inviting 6 YPs from AAPG's International Regions (Africa, Asia-Pacific, Canada, Europe, Middle East) and from the United States, to be a part of the LACR Summit. This multicultural participation will help all participants strengthen their global network, develop leadership skills, and prepare themselves for the challenges that they will face as professionals in the energy sector.

Thanks to our sponsors' support we are fortunate to celebrate the LACR Summit's **11th anniversary** in 2025!

As described in the following pages, there are multiple ways to contribute to the Summit's success. A contribution starting at \$1,000 USD provides direct event support and a life-changing experience for attendees. Your sponsorship will showcase your corporate image, illustrate your organization's role in our industry and provide access to the world's best and brightest young people who one day will lead companies like yours.

Thank you for your partnership, and we look forward to your presence in Rio de Janeiro, Brazil.

Sincerely,

Xavier Moonan,
President AAPG
Latin America & Caribbean Region, 2023-2025

ABOUT THE SUMMIT

The Latin America Region & Caribbean Student and Young Professional Chapter Leadership Summit is an initiative developed by geoscientists leaders representing the American Association of Petroleum Geologists Latin America and the Caribbean Region (AAPG LACR).

This year, the Summit will bring students and young professionals from the region and worldwide to one location to learn best practices, share experiences and develop leadership and teamwork skills. This 3-day experience will provide lasting benefits, not only to participants but also to the chapters and countries they represent.

The LACR Summit plays an important step toward creating a strong geoscience student and young professional leader network, which will benefit geoscience programs and companies throughout the world and provide the industry with a cadre of well-equipped future leaders.

SPONSORSHIP OPPORTUNITIES

We invite you to support the Summit and to be an important part of students and YP's professional and personal development. Your participation represents a direct investment in the future of the industry and in the talented young people who will one day shape its future. Additionally, sponsoring the Summit provides you the opportunity to share your corporate image, products and services with event participants and organizers.

Companies have **three primary sponsorship mechanisms**:

01

SUMMIT SPONSORS

Support the event directly through one of 7 sponsorship levels

02

COUNTRY SPONSORS

Sponsor the participation of the student and YP

03

REGION SPONSORS
